Dear Parent/Carer

Our Activities Week will take place from **Wednesday 20 May to Friday 22 May.**

This is always a lovely time of year as we celebrate and reward our young people for all their hard work, commitment and positive behaviour throughout the session.

This year, several activities will take place outwith the school. I would like to thank all staff involved for the additional time and commitment they are giving to support these events.

In addition, there will be a range of in-school activities designed to reward pupils while also supporting and promoting our Catholic ethos and strengthening our sense of belonging within the school community.

Pupils will follow a different timetable during these three days when they are in school, and further information will be shared with them in advance.

Please note that good attendance across these three days remains very important and is directly linked to pupils being able to attend out-of-school trips and activities.

Finally, full school uniform should be worn unless pupils are participating in an out-of-school activity.

Yours sincerely

Alan Taylor
