Dear Parent/Guardian

We would like to invite you to join us at St Benedict's High School on Friday 17th November at 0930am-1230pm to join a new programme which will help you to further support your young person.

The fully funded programme coaches you in unlocking your young person's potential and success. It will be delivered by Derek from CANI Coaching and will run for a further four weeks. The training will take place in the school at 9:30am each Friday until the 8th of December.

This programme has been an enormous success, with many parents and guardians describing it as "incredible" and "absolutely amazing" in terms of the impact it has on young people and their families.

If you are interested in joining us, please confirm your attendance by contacting the school.
