Dear Parents / Carers

## **UPDATE NO. 13**

Dear Parent/Carer,

You will be aware of the recent announcement by the Scottish Government that schools will remain closed until mid-February as part of lockdown measures.

### **Remote learning**

Remote learning will continue this week. On a Monday morning, the week's programme of activities will be uploaded onto the TEAMS page for each class. Again, as far as is possible and reasonable, teachers will endeavour to deliver the content of their timetabled classes remotely. Importantly, pupils will be expected to engage with their timetabled lessons each day.

I would again stress the importance of signing up to the **Satchel one** app (formally known as Show my homework) if you are still to do so. Through this app we will provide you with an overview of work to be completed by your child as well as a note of completion dates.

### **Health and Wellbeing**

The Health and Wellbeing of all pupils and families remains a priority for the school. We are committed to supporting pupils and families during these unprecedented times. The following list details some of the supports available. I would encourage you to look at these – they contain a lot of helpful information. Further websites/resources can be found on the school website [www.oraetlabora.co.uk](http://www.oraetlabora.co.uk)

Across the week staff will also be in contact with some families to discuss progress to date. Please be aware that most staff will be phoning from their work mobile number/own landline therefore you may not recognise the number.
