Children's Services

Dear Parents / Carers

### **UPDATE NO. 22**

As you will be aware, at the end of last week, the school responded to a positive Covid-19 case which has resulted in pupils having to self-isolate as per government guidelines.

The following link provides a reminder of information shared with members of our school community [www.renfrewshire.gov.uk/TP-StBenedicts2204](http://www.renfrewshire.gov.uk/TP-StBenedicts2204)

Although this is concerning, I would like to reassure you that the process recognised the school's robust control measures and that there was no evidence of transmission within the school itself.

However, this case demonstrates the importance of following both government and school protocols and guidance. Please refer to my previous updates which are available through the school website.

Moving forwards, I would ask for your continued support in the area of **wearing of face coverings**. It is essential your child brings a face covering on a daily basis. (exemptions apply)

Please also highlight the importance of wearing a face covering when out in the community at lunchtime and when travelling on school transport.

### **Uniform**

I would continue to ask for your support to ensure our high standards of uniform are maintained. As classroom windows will be open to ensure ventilation, I would recommend that pupils wear a jumper. Please can I ask that this is plain black in colour. Hoodies / branded logo jumpers should not be worn.

### **Parent Council Meeting**

Our next meeting will take place on Monday 3<sup>rd</sup> May. Our current chair is Stephen McGee. If you would like to attend or highlight an area you would like discussed, please email the school office with details. Minutes of meetings are available on the website.

Director of Children's Services: Steven Quinn

Finally, thank you for your patience and continued support at this time.

As always, I am available to discuss any issues you may have.
