Dear Parents / Carers

### **UPDATE NO. 23**

As you will be aware, at the end of last week, the school responded to a positive Covid-19 case. This was initially identified through a LFD (Lateral Flow device) test. Over the weekend, I received communication that the follow-up PCR test produced a **NEGATIVE** result. As a result, all pupils identified as close contacts do not now need to self-isolate and **can return to school** on Tuesday 4<sup>th</sup> May.

### **Supported Study – Senior Phase**

Our Supported Study Programme continues this week. Please click on the link below.

I would strongly encourage your child to participate.

### **Election day - Thursday 6<sup>th</sup> May**

The school will be closed to pupils. This is an in-service day for staff. Staff will engage in activities online.

Finally, thank you for your patience and continued support at this time.

As always, I am available to discuss any issues you may have.
