Dear Parents / Carers

UPDATE NO. 24

As we move into our second last week of term, I am writing to provide you with a final update of the session. Once again, I would like to thank you for your support during these unprecedented times.

COVID - Mitigations

As you will be aware there has been a recent increase in rates across Renfrewshire. Testing kits are available from the office and I would encourage all pupils to participate in this programme. In addition, please ensure your child arrives at school each morning with a face covering (exemptions apply).

All other safety mitigations remain in place and I would like to take this opportunity to applaud our young people for the way they are following these on a daily basis.

Alternative Certification model (ACM) S4-6

Almost all assessments have been completed and staff are currently working through a rigorous process of checking at department, school and authority levels to ensure our grades are fair and robust. Pupils will receive their provisional grades during the last week of term by email.

The follow guides provide additional detail. These have been issued and discussed with our young people.

End of Term Mass – St Conval's Church

Our end of term mass will take place on Friday 18th June at 9.45am. This is an opportunity for our school community to come together to reflect on the past year and to celebrate all that is good about our school and Catholic education.

It will also provide an opportunity to mark the last day for our school leavers. Sadly, the current situation does not allow us our normal end of term activities. However, our very best wishes go to our leavers and hopefully we will be able to arrange an event in the near future.

The mass will be live streamed on the following link [St Conval's Mass](#) and I would invite you to join the celebration.

New Timetable – Session 2021-22

Our new timetable begins on Monday 14th June. This will allow our young people to engage in their next level of study.

End of Session / Summer Communication

We finish our term on Friday 25th June at 1pm. I will provide you with a further update over the summer holidays.

Finally, I wish you a relaxing summer break and I look forward to welcoming our young people back for the start of a new session on Monday 16th August.

Kind Regards,

Alan Taylor
