Parental Information Evening (S1&S2) – Tuesday 10th September 2024

How to help your child succeed in St Benedict's

Dear Parent/Carer,

I am writing to invite you to an Information Evening which will take place on Tuesday 10th September at 6.00pm.

The meeting will consist of a short presentation by myself, followed by an opportunity to meet with both members of staff and current pupils who will be on hand to share key information and important learning tips and strategies which will help your child to flourish whilst at St Benedict's.

Key areas covered will include:

- Literacy and Numeracy: How to improve these skills.
- Your child's progress: Overview of how we will share this with you.
- Homework: How much homework will your child get? How can you support them?
- Health and Wellbeing: What supports are available and what happens if your child needs a bit more?
- Extra-curricular opportunities: What activities are available and how these will benefit your child.

The evening will last for approximately 2 hours; however, it is designed to be flexible, allowing parents to attend for part of the evening if you have other commitments.

I hope you will be able to attend with your child and I look forward to meeting you on the night.

Yours sincerely,

Alan Taylor
