Dear Parent/Carer

The purpose of this report is to give you information on how well your child is performing in their subjects.

This report contains ratings for behaviour, effort and homework. These ratings are accompanied by the terms excellent, good, inconsistent and needs improvement. These have been used on a sliding scale and it is therefore important to note that 'needs improvement' refers to a significant concern.

Rating	What this represents
1	Excellent
2	Good
3	Inconsistent
4	Needs Improvement

Please note that homework ratings for Business, Computing and Technological Studies have not yet been updated due to internal technical issues and currently display a default grade of '1'. These will be updated and reflected in the next report issue (November).

There is also information on your child's attendance. Please note attendance is recorded as 2 openings per day – morning attendance and afternoon attendance.

Teachers and pupils have been discussing these reports, setting targets and identifying any areas for improvement.

I hope that you find this format of report helpful in providing information about your child's progress. If you have any concerns or require further information, please contact your child's pastoral care teacher in the first instance.

Finally, I have been impressed by the start S2 have made to this academic year. I appreciate your support in encouraging strong attendance, punctuality and uniform. This is a hugely important year for S2 as they will be making their options for S3 in the coming months. More information and support will follow prior to this process beginning.

Yours sincerely
