Dear Parent/Carer

The purpose of this report is to provide you with tracking grades indicating how well your child is performing in their National Qualification subjects.

The report states the grades at which your child is currently working at – this is shown as the **Working Grade** on the report. To maintain or improve on these grades, pupils will need to apply themselves fully both in class and at home. The **Target Grade** demonstrates the grade which the class teacher thinks your child is capable of if they work to their full potential.

This report also contains ratings for **behaviour**, **effort** and **homework**. These ratings are accompanied by the terms **Excellent**, **Good**, **Inconsistent** and **Needs Improvement**.

An explanation of the codes used for tracking grades is given below:

GRADE	SQA Grade
1	A
3	B
5	C
7	D
9*	No award

*This grade would indicate that the candidate is unlikely to achieve a course award at this level. An alternative course pathway will be considered.

Teachers and pupils have been discussing these reports, setting targets, and identifying any areas for improvement. Pupils will have an opportunity to demonstrate their knowledge and skills across the remainder of the academic session.

May I also take this opportunity to invite you to attend an on-line S4 Parents' Information Evening on **Thursday 21st October at 6pm**. We will send the appropriate links and information for this event on the week beginning Monday October 18th.

Yours sincerely
