Dear Parent / Carer

SQA examination programme

The following link provides detailed information including exam times, supports, issuing of results and the appeals process.

During this time the school will continue to offer a range of supports including a formal supported study programme during the school day. A full schedule will be issued to all pupils by email. A copy for parents will be made available through the school website.

S3 Exams

Over the next month, S3 pupils will sit a series of subject practice exams in the hall. This is an opportunity for pupils to experience an "SQA style" exam. This has proved very beneficial in the past.
