Children's Services

Dear Parent/Carer

At St Benedict's High School we use Show My Homework, an online tool to help students keep track of their homework. Show My Homework has proven invaluable in allowing both students and parents to see the details of homework tasks set, all of the pupils' deadlines and their submission status and grades. We have found that this system has improved the way we communicate with home and it has enhanced pupil and parental engagement with homework which naturally leads to better outcomes for our young people.

Your child has already logged into their own personal account which allows them at a glance to track all homework tasks and will support them to promptly meet deadlines.

You will be provided with login details to your personal account which is linked to your child's homework calendar. Here you will be able to see your child's To Do List and any homework that is overdue. Please find attached log in details.

The key benefits of this system are as follows:

- ❖ 24/7 access
- ❖ View quality and quantity of homework
- ❖ Translation into over 50 languages
- ❖ Apps available for iPhone, iPad, iPod Touch and Android devices
- ❖ Receive automated notifications before homework is due

The process of logging in pupils is ongoing and your child will be able to assist you in doing so too. Please go to the school website for the demo video and instructions which will allow you to log in to Show My Homework easily.

If you require any further information please do not hesitate to contact E.C. Colligan PT Raising Attainment and she will be happy to help.

Yours sincerely

Alan Taylor
